Enclosed is a letter from the Archivist of the Unit
States, with attachments, asking the Department of Justice
to review certain documents of the President's Commission on
the Assassination of President Kennedy that are presently
withheld from research, to determine whether such documents
now may be, or must be, disclosed. We would appreciate your
designating someone to review the FBI documents mentioned in
the Archivist's letter, in view of the 1974 amendments to the
Freedom of Information Act, and reporting the FBI's conclu-
sions concerning those documents which may be disclosed, so
that we can prepare the Department's report to the Archivist.

This Office is currently reviewing the "Guidelines for Review of Materials Submitted to the President's Commission on the Assassination of President Kennedy," in light of the 1974 amendments to the Freedom of Information Act.
